PROPERTY MANAGEMENT WATER AGREEMENT

_____, Property Management Co. agrees to the following policy:

Auburn Water will no longer require a deposit for each property you are managing. A \$35.00 service charge will be required on each account that is turned on or the meter is read. This amount may be paid up front or we can bill it to you. You will receive a monthly water bill for the usage at the current water rates. If the Property Management Co. defaults and does not pay the required bills they will lose their "No deposit" privilege. They will then be required to put down a deposit at each location at the time of service.

The Property Management Co. and Representative understand by signing this agreement, which they are taking full responsibility for the water bill that has occurred under their purview.

A Property Management Water Form needs to be filled out and signed each time service is needed at a location. You can call and we will fax you the form or you may apply in person. You must call or come in to terminate the water service.

This agreement will be kept on file.
